Rejoice

What a privilege we have as a church to be the home from which three international missionaries have come. They and their families currently serve full time overseas for the purpose of expanding the kingdom of God. We have been reading about them in the Messenger and hearing about them in worship. Security mandates that we not be more specific with names and locations.

As a church we want to be more aware of what these wonderful servants of the Lord are doing so that we may support them with our prayers and treasure them in our hearts. Pick up a bookmark at one of the welcome centers. It has a picture of "our" missionaries and gives a general list of prayer requests.

This coming Sunday evening we are having a dessert auction with which to raise money that will be used by these three missionaries to do ministry in their part of the world. Their salaries are paid. Their health care and retirement are provided by the International Mission Board of the Southern Baptist Convention. However, they often struggle to find enough funds with which to do ministry. Since they are already on the mission field, 100% of the money we raise will go directly to ministry across the ocean. The money will be divided equally between the three missionaries.

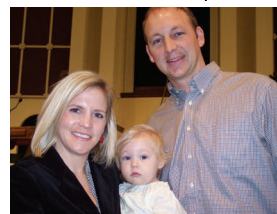

You can help by bringing desserts and purchasing desserts. There will be some tables of desserts available for purchase at a set price. Last time we had a missions' dessert auction the prices were so high that not everyone could participate. Other desserts will be auctioned off to the highest bidder. Brandon Hinz will be our auctioneer. It will be a great time together on Sunday evening, beginning at 6:00 p.m. in the Family Life Center. Even if you aren't a regular Sunday evening attendee, come and participate in this special night.

This time I hope to be able to buy Nancy's Italian Crème cake. I'll start the bidding at \$250!

Yes, it's that good!

Thank You

Words can't express our gratitude for all the expressions of love and concern extended to us. Every kind word, card, food, and flowers have encouraged us and reminded us of God's love. The benefit was beyond anything we could have imagined. Each act has blessed and ministered to our needs. Thank you.

In God's Love,
Cynthia, Cody and Cale Gauger
